## DETAILED ACTION

### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ron Daignault on 8/20/2007.

The application has been amended as follows:

1.1 In Claim 1, line 6, **delete** "pH of 4 to 7" and **replace** with --pH of 4 to 5.5--.

(Support for the amendment is found on page 38, line 7).

1.2 **Rejoin** Claims 27-36.

### EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

The most pertinent prior art known to the Examiner is listed on the attached PTO 892 and 1449 forms. As shown by the Williams patent application publication (2004/0063600A1), it is known to create aqueous carpet cleaning compositions which are comprised of silsesquioxane, surfactants, peroxy compounds and a sequestering agent. However, none of the prior art of record teaches maintaining the composition at a pH of 4 to 5.5. Even assuming *arguendo* that the claimed composition was *prima facie* obvious, Applicant has determined optimal pH levels for the stainblockers working

in conjunction with peroxides (Specification, pg. 38, lines 6-7) and has unexpectedly shown in Table 2 (Specification, pg. 39) that the use of the stainblockers do not affect peroxide concentrations over time. Accordingly, the claimed invention, as a whole, would not have been obvious to one of ordinary skill in the art at the time the invention was made. Since the composition claims are allowable, previously withdrawn claims which depend from the composition claims are rejoined.

### ***Conclusion***

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
